25X1

On 7 June 1951, concreting was being done on the runway of the new airfield at Timisoara (R 16/T 91). The work on the subgrade had been completed. No Soviet aircraft had arrived at the field.*

25X1 * Comment. This information confirms a previous report according to which the airfield was to be completed by June 1951. The field was to be exclusively occupied by Soviet Air Force troops. The new airfield is located south of Timisoara, just east of the railroad line to Vrsac (Y 18/Y 94).
